

NAIL TECHNOLOGY CONTINUING OCCUPATIONAL EDUCATION PROGRAMME OF STUDY

Programme: Nail Technology		Programme Code: BEAT-NLTN-SICTIII	
Department: Beauty Trades			
Credits: 0	Instructional Hours: 180 (12 per week)	Duration: 15 weeks	
Programme Offered: () Fall () Spring () Summer (X) As Needed			
Entry Requirement(s): None			

PROGRAMME DESCRIPTION

The Special Interest Certificate (Level III) in Nail Technology prepares students to enter the workforce as nail technicians. Students learn to care for and maintain the nails, identify nail disorders and perform manicures and pedicures. Students acquire the skills and techniques needed to perform an acrylic application and poly-gel application using UV and LED lights. Emphasis is on client consultations, skill development, hygienic work environments and professional ethics.
